LOCAL HEROES

HUNGERFORD MEAT CO

Hungerford Meat Co has a storied history rooted in the agriculture of the Hunter Valley. Upon acquiring the historic building and butchery, they seized the chance to restore it to its former glory.

By collaborating with local producers and farmers and utilising the entire animal in their offerings—from fresh cuts to charcuterie and smoked meats—they foster stronger connections between our kitchen and the best producers of the region.

SHANE'S SEAFOOD

Starting as a small family business by Shane Snedden alongside the Hunter's very own, Robbie Molines. Shanes Seafood was then purchased three years ago by a Sydney-based seafood trader, Nicholas Seafood.

Shanes Seafood aims to deliver the finest and freshest quality of seafood to restaurants, with majority of the seafood sourced within Australian waters. Shop front located in Carey Bay, NSW out past Toronto.
